#### **Awards** – Phillips (Report on File)

The Awards Committee had decided to place an article in the September newsletter to inform association members what steps are necessary if their awards are not received in a timely fashion. Therefore, an article covering an abbreviated award process was written, approved by the committee and is in the newsletter. The committee also agreed that the 2008-2009 budget did not need an increase. The committee also appointed Roath to be in charge of getting local 800 pins engraved by Team Sports and Awards. Next month the committee will review criteria for all the local association awards.

#### **Publicity** – (Report on File)

Roath stated that the newsletter is complete and that distribution started on September 12<sup>th</sup>. He gave a big thank you to all those who provided articles for the readers and/or contributed time helping with final preparation. Also included is information on the duties of league secretaries/treasurers plus a brief look at the awards process.

#### **Outside Tournaments** – (No written report submitted)

Rumbaugh stated that we did not get the 2010 mixed tournament. Therefore this committee will be abolished until needed again. Brady suggested that we should inquire as to the reasons that we were unsuccessful. Rumbaugh agreed and will write an inquiry in order to help us in preparing future tournament bids.

#### **Lane Certification** – Johnson (Report on File)

Lane certification inspections have been completed at all four centers. USBC has issued certifications to Cannon Ball Lanes, and Liberty Centers – Massaponax and Stafford. One will not be issued to AMF Fredericksburg until the foul lights have been repaired. Until fixed they are allowed to host certified leagues. There is a problem with the Brunswick computer lane monitor so lane dressing tapes made at Cannon Ball cannot be read. A call will be made to Brunswick to resolve the problem. Tapes at the other 3 centers will be made before the end of September 2008.
