

Tiffany Bell

2023 Inductee for Bowling Achievement

Tiffany has been an active bowler since being inspired by her father, Cecil Franklin, to bowl. Originally from Takoma Park, Maryland, Tiffany's family moved to Fredericksburg, Virginia in 1979. She is a self-taught bowler whose skills have been honed through competition. Coming from a family of bowlers, she has improved her game by competing along with her sister against their brothers.

She is a focused, motivated and enthusiastic bowler. Just a partial listing of her on-lane accomplishments include many league high averages, multiple Virginia Bowling Queens titles, three time winner of NCAUSBCA 600-700 Scratch Mixed Doubles Tournament, a two-time TBNA National Singles Champion and placing 4th in Womens Nationals. She has ten 11-in-a-row games, eight 299 games, fifteen 300 games, and seven 800-series.

Tiffany also runs along with her family the T&T Dynamite Handicap Doubles Tournament in Fredericksburg, bringing in bowlers from all over the East Coast to bowl locally. Her competitive skill and dedication have made her a wonderful addition to the GFUSBCA community. Her achievements in the sport of bowling have earned her a well-deserved inclusion in both the NCAUSBCA and the GFUSBCA Halls of Fame.
