## A Message from the President

As I sit here looking out my window at the snow coming down heavily, it is hard to think about the weather getting warmer and spring time coming. It is also hard to believe that the bowling season is almost over.

I have thoroughly enjoyed this bowling season. It has been a pleasure getting to know the bowlers, having tournaments and working the GFUSBCA Board to continually improve our processes.

We will be having our last tournament for the fall season in March. That will be the Open Tournament to be held at AMF. Make sure your get your entries in timely. If you want to bowl but do not have a team, let any board member know and we will be happy to assist you.

As a reminder, the applications for the GFUSBCA Scholarship are now being accepted. The winner will receive \$500 towards their school or college if they are adults. The youth winners will have the money provided in SMART funds by the USBC. The application can be found on our website at [GFUSBCA.org](http://GFUSBCA.org).

In April we will be holding our annual meeting and volunteer recognition luncheon. We do encourage everyone to attend. During this meeting we will also be holding elections for board members. If you are interested in applying for a board position, you can download the applications on the GFUSBCA website or you can speak to any board member about the qualifications and specifications of the position.

I will not be rerunning for the position of President this year. I have served many years in the bowling community. It started when I was 15 years old with the Nation's Capital. I then served as both Director and Vice President of the Fredericksburg Area Women's Bowling Association and have served the last 10 years on the GFUSBCA board. I have learned so much the past 4 years being the President. The position is rewarding and challenging and the networking with the bowlers makes me feel like I have thousands of friends and family members.

I am always here to address any concerns or suggestions that you have. Don't forget that the board is a valuable resource to you.

Brenda Chambers  
GFUSBCA President

## OPEN LETTER

To GFUSBCA Board and the members of the association:

I would like to take a moment to compliment the Board on all that it does, and do it in a public forum. I have been a member of the association since it started and served on the Board, I have heard many a member complain and criticize the board. I myself have been a critic, I am not saying that we are wrong to be critic's, as that is part of being human, and we live in a country where I and others fought to give us the right for free speech.

What I am saying is that all of the members need to remember that the board is comprised of volunteers who donate their time and energy to keeping our association alive. I for one remember being a member of other associations which I felt did not represent our interests; I much prefer what we have today.

So again I repeat **THANK YOU**, for all that you do. I encourage all members to take not only the time to criticize but to thank the Board members for their efforts. This does not mean that we should stop letting the Board know when we feel they are wrong as they can only know our wishes if we let them know them.

IN BROTHERHOOD,

Bobby K. Phillips Jr.

Past Board member

and association member
