A SUMMER OF FIRSTS

Gena Gunn Provides a Great Moment for Our Association this Summer

Members of the Tuesday Mixed Summer League at AMF witnessed history when Gena Gunn rolled the **first 300 game by a woman** in our association on August 21st, the last day of the summer season. This is also the first honor score by a woman going back to the Fredericksburg Area Women's Bowling Association (FAWBA)

that existed before the merger of men and women bowlers into the GFUSBC. Gena is a Technical Recruiter for BAE Systems and started bowling in 1997, has a high average of 187 and bowled a 719 set. She participates on several leagues in the area and rolled her first 300 at Shirley Bowl in February of this year. Gena is a member of the team that won the TCBA Traveling Ladies League last year and went to Houston, Texas to compete in the Championship Tournament. She also enjoys playing softball when there is time. Gena hit a homerun this summer.

Youth Bowlers get the Gold in Buffalo

(Some of the following came from a story by Kurt Nicoll of the Free Lance-Star)

Thirty six Fredericksburg GFUSBC youth traveled to Buffalo, New York in July to compete in the first ever USBC Youth National Tournament and compete they did. There were over 2,000 participants in this tournament, some from as far away as France and Bermuda. The Fredericksburg team of Amy Spence, Daniel Yeagley, Chelsea Mills and Joshua Myles called their team "Syrupy Pancakes" were entered in Division IV (519 team average and under) and they poured it on rolling a combined score of 1,728 to place **FIRST**. The kids weren't finished there. David Armstrong almost matched the team first place honors, bowling a 499 set that placed him second in his singles event (129 and under average) losing by only two pins. David rolled doubles with Mathew Hager (combined 259 and under) and they placed ninth. Davids hot bowling also earned him all events honors. Many of the other youth also placed well in the standings. This was a tremendous showing by area youth. (A complete story of the trip is on page 5)

Closer to home, 13 year old Teresa Chada of Bumbass won **FIRST** in the Coventry Commonwealth Games held in Christiansburg. She

bowled a 180, 156 and 137 to qualify as the top seed in her category. Then she bowled a 142 game to win top honors.

Barry Wallace Rolls 11 in a Row in the PBA Experience League

If you wonder why 11 in a row in the PBA Experience League held at the Liberty Stafford Center is special, then you haven't bowled under sports conditions. Barry shot 290 on the first night of the league and it is the first honor score rolled under sports conditions in our association. Nice shooting Barry.

Denise Wright Wins State All Events

Denise Wright was on her game at the 50th State Women's Tournament this summer. She won the Division 1 Handicap event with a great combined score of 2206. Congratulations.

More Summer Excitement

Along with Gena Gunn there were many other bowlers that provided a lot of excitement in the leagues this summer. **Jeff Wolfrey, Sean Hill, Marclay Herron** each bowled a 300 game. **Bob Resio** was, oh so close, with his 299 and **Ronnie Angles** lit the lanes up with a very fine **819 series**. Kind of makes you want to get back to your winter leagues, doesn't it.

Breaking news. **Bruce White** rolled the first 300 of the winter season Tuesday night in the Rappahannock Men's League. Yes, he is a lefty.

Meet the GFUSBC Board of Directors.

FROM YOUR NEW PRESIDENT

Paul Rumbaugh

Hello and welcome back for the 2007-2008 fall/winter season. It's hard to believe summer is almost over and the kids are back in school.

Let me introduce myself. My name is Paul Rumbaugh and I'm honored to be your new Greater Fredericksburg United States Bowling Congress (GFUSBC) president for the next two years. I was born in Pennsylvania and grew up near Hagerstown, MD. I graduated from Smithsburg High School in Smithsburg, MD. I first started bowling in a youth league at Fort Ritchie, MD. My father was the head mechanic and later manager of the post six-lane house and later a new 12-lane house.

I attended West Virginia University where I received a B.S. in Wildlife Resources and then enlisted in the U.S. Air Force. After not bowling for several years, I picked the game back up bowling in multiple leagues while in college. I also completed a Masters of Science degree in Administration from Central Michigan University.

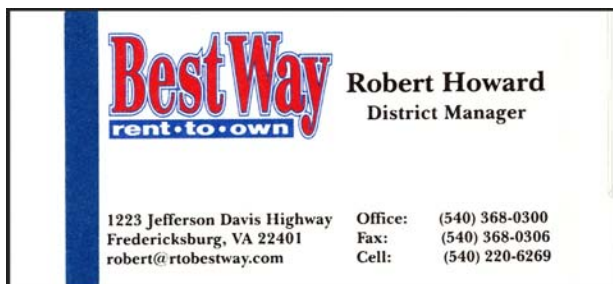

I served in the Air Force for 21 years in positions including aircraft maintenance, ICBM missile launch officer, evaluator, instructor, staff officer, and missile targeting. My final assignment was at Fort Belvoir in the Defense Threat Reduction Agency as a START Treaty monitor doing six-week tours in Russia. My wife Cindy and I have lived and bowled in Georgia, North Dakota, California, Texas, and Nebraska before moving to Stafford in 2001. Currently, I work for McNeil Technologies, Inc., a defense contractor. We've made many friends all over the country through bowling. Whenever we moved to a new location, the bowling center was always one of our first stops. It was while stationed at Minot AFB, ND that I started bowling more seriously.

My bowling accomplishments include 18-300 games, 7-800 series, and a personal high of 879, setting the VA state record in 2005. I bowled on the Air Force team for three years and was runner-up at Air Force Championships in 2000. I received Bowler of the Year honors from the San Antonio Bowling Association in 1997-1998. During the 2000-2001 season, I received the award of merit for having the highest league average in the Greater Omaha Metropolitan Bowling Association of 232.

Even though I don't have any experience serving on local or state bowling organizations, good people surround me on our board. I want to thank Bobby Phillips for his leadership during the first two years of this organization. He and the volunteers on the board did much work getting the GFUSBC organized and merging the men, women, and youth organizations. There is still plenty of work ahead as we move forward. I would like to see our organization grow from the **37** winter leagues, **13** summer leagues, and 2,600 adult and youth members. I also would like to see our local "city" tournaments grow and maybe even double the entries. There is no reason why that can't happen. One of my chief complaints and of many others I've spoken with is the same – the prize fund is too small. That's because of a lack of entries. We have enough league bowlers, but not enough tournament bowlers. We need the league team captains to enter their teams in the association tournaments.

We also need more of our members to get involved with association activities. If you want to volunteer to help us out, please contact one of our board members or me. Again welcome back to the fall/winter season. Good luck and high scores. I'll see you on the lanes.

Hi all,

I am writing a note to let everyone know the **Last Chance Tournament** was a great time! The entry fee was only 20.00. This put you in brackets and high and low side pots. You won if you came in 1st or last. We had a good time and it did not cost much. Pay attention to upcoming tournaments. They are for ALL bowlers not just the high rollers. We had a great time and I think I can say we all had fun. Pay attention to your GFUSBC because they are working for all of you!

Thursday Knighters Open Their Pocketbooks

The Thursday Knighters reached in their pockets during the 2006-07 year to collect almost **\$1,600** dollars. They donated their money to over 20 organizations. A great example of what a group of folks with a lot of heart can do.

Little Known Fact.

Mary Hand of the Guys and Dolls League held at Liberty Massaponax Center bowled a 654 set last April. What's so special you say? Mary had a 161 average at the time. Way to go.

Trophies for Last Years Youth Tournament Donated by Local Stafford Business.

The Pampered Chef, a Stafford home business, run and operated by Mrs. Antwine donated trophies that were presented to the winners of last years Youth Tournament. The GFUSBC appreciates her generous contribution to youth bowling.

The Bowlers Edge

(Bowling.com and USBC Coaching provide these tips)

1. Aim your push away at your target. As you start the ball moving in the approach, make sure that the ball moves in a straight line toward the lane target. This will help prevent your swing from going off line. Let the rest of your swing be relaxed and maintain the straight swing aimed at the target.
2. Short first step in your approach will allow you to maintain good balance. Each successive step will be slightly longer to build momentum to the finish position

On Thursday, July 19th, 36 youth bowlers from the Fredericksburg Area USBC and their parents met at Liberty Lanes in Massaponax to set out for Buffalo, New York to attend the inaugural USBC Youth National Tournament. On July 22nd the group returned to Liberty Lanes, escorted by Jay Rollins, to a cheering crowd of supporters. The supporters included the new Fredericksburg Area USBC Association President, Paul Rumbaugh, board member D.J. Johnson and Association Manager, Deborah Johnson. The Spotsylvania Fire Department Station 4 also welcomed the youth's with blaring sirens and flashing emergency lights. A banner strung across the front of the center said it all, "Welcome Home USBC Youth Champions". On board, were Amy Spence and Daniel Yeagley, two members of the 2007 Youth National Division IV Champion Team "Syrupy Pancakes". The other two teammates, Chelsea Mills and Joshua Myles, rode with their parents. In addition to the 1st place team award, youth bowler David Armstrong finished second in both the singles event, as well as, all events. We had numerous bowlers finish within the top 100 in their events, with several in the top 25!

In Buffalo the entire group was treated to numerous events. Trip coordinators Brenda Chambers and Randy Lewis made sure that we had plenty to do. On Friday following the team event, everyone returned to the hotel for a huge pizza party. Sixteen large pizzas and around 300 chicken wings were ordered from a local restaurant and everyone was able to eat and reflect on the day. One of the highlights was a group photo taken in front of the bus with Professional bowler, Liz Johnson. Saturday started with the bowlers participating in the doubles and singles event. Then the group took a trip to Niagara Falls where they enjoyed a cruise on the "Maid of the Mist". After the cruise the group had free time to take in the sights. Saturday ended with a spectacular fireworks show and the Falls Illumination event. Sunday morning the group again boarded the bus to tour the "Cave of the Winds" which takes you to the edge of Bridal Veil Falls. Those who elected not to take the tour saw the sights and/or traveled into Canada. At 12:30 pm on Sunday, the bus trip home began. During the trip all the bowlers showed class and represented our association with dignity. The highest compliment a parent or chaperone can receive is from someone like our bus driver, Mr. John Brown, who stated that these were the most well-behaved and respectful group of youths he has ever driven for. On top of that, he even said to request him if we ever need a driver again!

This trip was formed back in October of last year after obtaining the number of youths who were interested in attending the Nationals. Numerous fundraisers, as well as, sponsorships and donations made it possible. Randy Lewis put in tireless hours securing a charter bus from Martz Bus Company and hotel rooms for all the bowlers and parents who went to Buffalo. The bowlers were able to meet every Monday from March until July 16th, 2007 at no charge, courtesy of the management at Liberty Lanes. Youth Coaches Brenda Chambers, Brian Chatham, Bill and Ruth Mowry, Dave Brady, Carolyn Logan, as well as, center employee Jay Rollins, all donated time to work with the bowlers. Some of the fund raising events were a trip to Atlantic City arranged by Mr. Lewis, a bowling ball raffle courtesy of the Legends Pro Shop at Liberty Lanes, 50/50 Raffles with special thanks going out to Jackie McDonald for helping on Sunday evenings, the Adult-Youth Tournament, bake sales and candy sales. Major Sponsorships were The Spotsylvania Eagles, The Fredericksburg Eagles, PV Enterprises, Inc. and Team Sports and Awards who donated all of the Team Shirts that were worn.

We now have our focus on the 2008 National Championships in Detroit, Michigan. We need to raise even more money this year and have already begun discussing several fundraisers.

In closing, we are VERY proud of all of the bowlers who participated in this event, as should every member of the Greater Fredericksburg USBC.

From the Association Manager....

Welcome back! Hope everyone had a wonderful summer and are ready to get back into the swing of the winter season.

Please remember when filling out your 07-08 membership cards to verify all pre-printed information and make any necessary changes. Printing clearly is extremely important. If I misread your information, it could delay the delivery of your certification cards. USBC Headquarters in using emails to communicate directly with their members – please print your email addresses clearly.

A Recap of Season Changes...

- Averages will no longer be printed on your membership cards. Evidently there was a problem with reporting the highest average for some people who held dual membership in two or more associations. Even though there was a disclaimer to always verify your average, some persons were using the pre-printed average for tournaments without verification.
- 298 and 299 Games will be treated as 11-in-a-Row for Standard Ten Pin. USBC will no longer issue rings for 298 & 299 honor scores – 11-in-a-Row plaques will be awarded. Members, who qualify, may purchase a ring if desired. (Sport scores of 299 will continue to receive a 299 plaque).
- Sport Upgrade has increased. The cost of an upgrade to Sport bowling is now \$15 for adults and \$10 for Youth.
- GFUSBC Award Changes. There have been criteria changes for three awards are:
 - 100-124 Game – 75 Average and below
 - 125-149 Game – 95 Average and below
 - 175-199 Game – 145 Average and below

New Awards:

- 300-349 Series – 95 Average or below
- 350-399 Series – 110 Average or below

League secretaries using league software must update their local award criteria and add the new awards.

The new award criteria is available on the GFUSBC website at www.gfusbca.org

- GFUSBC Tournaments. The board will consider limiting the Open and Women’s tournaments to one weekend unless the number of entries requires additional squad times. This will eliminate excessively small squads.

As always, if you have questions or need assistance, please do not hesitate to call the association office – we are here to help!

See you on the lanes,

Deborah Johnson

Special thanks goes to Peggy Roath, Jackie McDonald and Jeff Smith for their help in distribution of the April 2007 Newsletter.

The GFUSBC gets support from several members of the association but more volunteers are needed. We need help with tournaments, BVL collections, newsletters, Ways and Means, brackets and many other current and developing responsibilities. If you can step forward and lend a hand, please let any Board member know.

As newsletter editor, I am always looking for stories of unusual bowling stories or scores from league secretaries or bowlers.

Items like:

Triplicate scores by an individual or team.

First ever 300, 400, 500, etc. series

Career high games. (Not honor score since we already capture these events)

Humorous or unusual bowling stories from the bowlers themselves about a recent or past event.

I hope some of you can help me out with this endeavor. My name and contact information are listed to the left of this page.
